The Nevada State Board of Homeopathic Medical Examiners, 435 Court Street, Reno, Nevada 89501, is proposing the adoption, amendment, and repeal of regulations pertaining to chapter 630A of the Nevada Administrative Code. A workshop has been set for the purpose of soliciting comments from interested persons on the following general topics that will be addressed in the proposed regulation:

1. The 6 months of postgraduate training in homeopathy required of an applicant for a license to practice homeopathic medicine (NAC 630A.072);
2. The establishment of a committee to perform audits or surveys of a licensee, homeopathic assistant, or advanced practitioner of homeopathy to monitor the quality of training or as otherwise deemed prudent and necessary by the audit committee or the Board, the cost to be paid by the licensee (NAC 630A.076, .096, .120, .132, .136, .350, .450, .560);
3. Increasing the annual renewal fees for licensees, advanced practitioners of homeopathy, and homeopathic assistants; and
4. New language pertaining to the Board's supervision of the Nevada Institutional Review Board (NIRB), procedures for appointing persons to the NIRB, and other matters related to the NIRB.

The workshop will be conducted, Thursday, November 2, 2006, at the hour of 5:00 p.m., or soon thereafter as it may be conducted on that date at: The Nevada Clinic, 3663 Pecos Mcleod Int., Las Vegas, Nevada 89121; and at the Cancer Screening & Treatment Center, 521 Hammill Lane Reno, NV 89511.

The purpose of the workshop is to receive comments from all interested persons regarding the adoption and amendment of regulation pertaining to chapter 630A of the Nevada Administrative Code. The Board believes this regulation is necessary to provide adequate means for covering costs incurred to carry out the Board's legislative mandate to protect the public from harm.

It has been determined that the proposed regulation will impose a direct economic burden upon some homeopathic physicians, certified homeopathic assistants and certified advanced practitioners of homeopathy, or could directly restrict the formation, operation, or expansion of the practice of alternative and complementary medicine in Nevada, including homeopathy.

Persons wishing to reduce the impact of the proposed regulation are invited to comment on the proposed adoption, amendment, or repeal of any parts of this regulation, and may appear at the scheduled workshop or may address their comments, data, views or opposition, in written form, to the Nevada State Board of Homeopathic Medical Examiners, 435 Court Street, Reno, Nevada 89501. Written submissions must be received by the Board on or before five (5) five days prior to the date set for the workshop. If no person directly affected by the proposed action appears to request time to make an oral presentation, the Nevada State Board of Homeopathic Medical Examiners may proceed immediately to act upon any written submissions during its November 2, 2006 Telephone/Conference Meeting, that will be held at 6:00 p.m. at
